Dear Mr. Godfrey:

This letter is in response to your letter dated June 28, 2002. In that letter you indicated that you made a California Public Records Act request for information in April of this year. I have not seen that request and that is why you have not received a response.

The Emeryville Police Department has not developed any procedures, directives, policies, guidelines or training bulletins regarding the handling of medical marijuana cases. We do not possess any of the documents of the type you request or any related material to the subject of your request.

If I can be of additional assistance to you please feel free to contact me.

Sincerely,

  
Ken James  
Chief of Police
