Re: Public Records Request – Medical Marijuana Information...

Dear Mrs.

I am in receipt of your letter dated October 10, 2003, requesting “copies of training bulletins, directives, guidelines, policy statements, and all other documents concerning procedures for handling cases related to medical marijuana and/or the California Compassionate Use Act (HSC §11362.5). A review of our records revealed that we have nothing new, since April, 2002, and therefore have nothing to offer in the form of public records.

Regards,
