RE: Public Records Act Request

Dear Mr.

Our department does not currently have a written policy regarding medical marijuana and/or the California Compassionate Use Act at this time. We currently have an Interim Police Chief who will be re-writing our existing department policy. I am unsure if this item will appear in the revision.

In the past, our department has received some direction in this matter from the Colusa County District Attorney's Office. They may possibly be able to provide you with copies of any recommendations they have made regarding this subject.

If you have any questions, please contact me at 530-473-2661.

Sincerely,

A handwritten signature in cursive script that reads "Beverly J Maxey".
